YOUTH VISIONS ON A FUTURE COSMOPOLITAN SOCIETY AT THE BLACK SEA

in SULINA, Romania

from 05/09/2022 to 11/09/2022

About the project

The workshop provides a framework of seven days for 25 participants who will explore the multicultural landscape that survived the transformation of Sulina throughout the 20th century from an exotic port at the junction of Eastern Europe and the Middle East into a ghost city. Together with members of local ethnic communities, we explore the imagination of the Black Sea, the history of migration movements and the international heritage present in Sulina left behind by many ethnical groups.
